

2019—2020 AP Test Registration for Students Not Enrolled in an AP Course

On occasion, Glenbrook South Students not enrolled in an Advanced Placement course take the time to independently prepare for an AP exam. In such cases, a GBS student may register for the AP exam and take the exam here at Glenbrook South with the other students in the AP course.

Below is a list of all AP tests offered at GBS during the 2020 AP testing window. If you think you are prepared to take one or more of the following tests, please complete the following steps:

- Check the box to the right of the test(s) you would like to take.
- Sign and date this form with both student and parent/guardian signatures.
- Return this form to Mrs. Redfern in Room 223 or scan and email to rredfern@glenbrook225.org **no later than Friday, October 4th, 2019.**

The fee for each test is \$94.00. *Note: AP Physics consists of two exams (Physics C: Mechanics & Physics C: Electricity and Magnetism) and AP Economics consists of two exams (Microeconomics & Macroeconomics). You may choose to take one for \$94 or both for \$188.*

AP Exam fees will be waived for students who qualify for financial assistance.— A \$40 cancellation fee will be charged for each test that is ordered and not taken regardless of financial assistance. You must notify Mrs. Redfern before 5/1/2020 in order to receive a partial refund. No refunds will be issued after 5/1/2020.

| AP TEST | ✓ | AP TEST | ✓ | AP TEST | ✓ |
|------------------------------------|---|----------------------------------|---|------------------------------|---|
