

**REMINDER: MENINGITIS CONJUGATE VACCINE NOW DUE
YOUR STUDENT MAY BE SUBJECT TO SCHOOL EXCLUSION**

Dear Parent/ Guardian of the Class of 2019,

Despite our earlier requests, the Nurses' Office has not yet received proof of the required meningitis conjugate vaccine for your incoming senior, as required by the State of Illinois for school attendance. We still need proof of either two shots after age 11 or one shot after age 16. This is required prior to the first day of school. Seniors without this information on file will be subject to school exclusion.

You may still submit this information in the following ways :

1. Mail to: Nurses' Office
Glenbrook South High School
4000 W. Lake Ave.
Glenview, Illinois 60026
2. Email to: gbshealthoffice@glenbrook225.org
3. Bring directly to the District Office over the summer (due to summer construction)

It is certainly not our desire to exclude your student from school. Please call us if there is a question, problem, or if we can be of assistance in helping you to meet this requirement. We would like your student to have a smooth start to senior year.

Sincerely,

The Nursing Staff
847-486-4498
